Lithonia Landmark to Serve as Host Facility for Local Businesses and Residents

LITHONIA, GA. -- Davidson Cottage, a historic home near downtown Lithonia, is undergoing a renovation by Davidson Development Corporation and will serve as an exclusive host facility for businesses and residents in DeKalb and Rockdale counties.

Set on 2.66 acres of natural environment, Davidson Cottage, with its unique granite exterior, comfortable veranda and multiple rooms, is an ideal setting for a variety of large and small events. Davidson Development Corporation, which manages Davidson Cottage, plans to offer an array of event packages tailored to weddings, receptions and corporate functions at the 2,000 square foot facility located at 2641 Reagin Street. Packages include event planning, floral solutions and catering services for bridal showers, weddings, special events, romantic dinners, corporate meetings and family reunions.

“We are excited about this opportunity to take part in the revitalization of downtown Lithonia with the introduction of Davidson Cottage as a destination for individuals and companies desiring a prime location and customized venue for an event,” says Bernadette Tate Corum. “Businesses and individuals who live and work in this area will have a top-tier facility that’s ready to host their special event as well provide personalized service in coordinating the occasion.” Davidson Development Corporation is currently accepting reservations for Davidson Cottage. For more information or to schedule a tour of the facility call (770) 484-9445.

About Davidson Development Corporation

Davidson Development Corporation designs, builds and manages special event facilities that enhance the community and exemplify the company’s commitment to corporate citizenship and responsibility. The company is based in Lithonia, Ga.

About Davidson Cottage

Davidson Cottage (www.davidsoncottage.com) was built in 1925 by Norton Alexander Davidson. Granite used to construct the cottage came from Davidson Mineral Properties, a Lithonia quarry founded by the Davidson family in the late 1800s.
